COMMENTS FROM THE PRESIDENT

Twenty Three Blue Ridge coaches attended our spring rally in Sevierville, TN. This was mainly a working rally, but we did find plenty of time to have our usual fun. We attended various shows, toured the area and played a couple

rounds of golf gathering info to present to our Rally Master for the 2020 National Rally. The location for the 2020 rally was changed from River Plantation to the Ridge RV Resort. The Ridge is a new resort that was still under construction while we were in town. A few of us toured the property. This is really going to be a nice facility. Their official opening was Memorial Day weekend. We left Sevierville with a great start for the 2020 national, but there is still work to be done. Our 2020 spring rally will be back in Sevierville to fine tune and hopefully finalize the rally schedule and agenda. I encourage as many chapter members that can to attend our spring rally and help with planning. If you would like to be on any of the planning committees or have ideas, please contact our Rally Master Bob Angus.

Many of you have received emails from the hosts for the 2019 National Rally that will be held in Pueblo, CO in late September. It appears that registration is lower than expected and they are encouraging those that have not registered to do so. Registration is on line and can be accessed through the DOAI web site. Even though you register on line, you will still need to send a check to the rally registrar for the rally fee. I found the process to be fairly simple and received an email

confirmation almost immediately.

The same applies to the 2020 Southeast rally in Seffner. Registration is below expectations. Registration is also online, but you can pay through PayPal for the DOAI portion but will need to call Lazy Days to make your site reservations.

If you have questions or need assistance with registration for either rally let me know.

As a reminder, our fall rally will be in East St. Louis Illinois at the Casino Queen RV Park. Arrival will be October 2nd and depart on October 7th. Cutoff date for reserving your spot at the Queen is September 2nd. Hope to see you in Pueblo and St. Louis.

Safe Travels

Chapter Meeting

4 May 2019

River Plantation RV Park, Sevierville, Tennessee

President Jim Pinkerton called the meeting to order at 4:00 p.m. President Pinkerton led the Pledge of Allegiance.

President Pinkerton thanked everyone for attending the rally. He also thanked those in attendance for their participation in researching area attractions for the 2020 DOAI National Rally.

SECRETARY'S REPORT:

Secretary Linda Terrill sent the Secretary's Report to the Chapter members on 01/31/2019. President Pinkerton asked for any corrections or revisions. There were none. Bob Angus moved to accept the minutes. Tom Leydic seconded the motion. The motion carried unanimously to accept the minutes.

TREASURER'S REPORT:

Treasurer Mike Hopkins sent the Treasurer's Report via email to all Chapter members. He provided a current financial statement with the rally expenditures and current balance of \$6,610.90 in the bank account. President Pinkerton asked if there were any corrections or revisions. There were none. Bob Angus moved to accept the report. Dick Tracy seconded the motion. The motion carried unanimously.

MEMBERSHIP REPORT:

President Pinkerton reported on behalf of Rick Blaher, Membership Chairman, who could not attend the rally. Currently there are 54 coaches registered with the Chapter.

RALLY MASTER'S REPORT:

Tim Ridgley, Rally Master, reported on the plans for those Chapter members going to the National DOAI Rally, to meet in Colorado Springs, CO on 09/20/19, departing on 09/21/19 convoying to the Colorado State Fairgrounds in Pueblo, CO. There are plans to depart from Pueblo on 09/29/19, convoying to Wakeeney KOA in Wakeeney, KS for 1 night. The convoy will depart Wakeeney on 09/30/19 and arrive at Capitol City KOA in Topeka, KS, staying there 2 nights. The Chapter will depart Topeka on 10/02/19 and convoy to The Casino Queen RV Park in East St. Louis, IL. The rally is scheduled 10/02/19 through 10/06/19 with departure 10/07/19. Mike Hopkins passed out registration forms for the Casino Queen RV Park Rally. Checks are to be made payable to Blue Ridge Discoverys for the BRD Rally registration. The members will be responsible for making their own reservations. **Please refer to Tim Ridgley's 04/17/19 email for the complete convoy information.**

NATIONAL RALLY REPORT:

Kerry Pinkerton reported the DOAI Rally has an electronic registration form and everyone is encouraged to complete the form electronically. He asked for a show of hands of coaches attending. The Firefly Company is planning to have a couple of sessions at the rally. There will be a Camp Discovery and all the sessions will be on one day.

OLD BUSINESS:

President Pinkerton addressed the ongoing discussion about changing club shirts. The board continues working on this issue. In the meantime members can continue to order shirts, flags, and banners with the order form in the newsletter.

NEW BUSINESS:

Treasurer Mike Hopkins reminded the Chapter an assistant Treasurer is needed. Mike informed those in attendance his term expires in 2 years and the by-laws prevent him from a concurrent term as Treasurer. Don Muskopf graciously volunteered and he was unanimously accepted as assistant Treasurer.

President Pinkerton reminded the Chapter about the sound system and large cup coffee pot we own. The board does not think these items are needed any longer. President Pinkerton opened the floor for suggestions. Vice President Leydic proposed donating these items to Ridge Outdoor Resort where BRD has scheduled the Spring 2020 rally and the Fall 2020 DOAI National Rally.

Bill Johnson moved the items be donated to the Ridge Outdoor Resort. Kerry Pinkerton seconded the motion. Those Chapter members present voted unanimously to donate the sound system and coffee pot.

NEWS FROM OUR MEMBERS

Most of the you have known about the spine-back health issues that Elaine has been having for several years. It has been great attending what rallies that we could attend but it has been hard on Elaine. Over the 12 years as member of BRD, we have met a lot of friends and have enjoyed their friendship. Elaine and I have made a hard decision that we will be selling our Discovery. It is a 2008 40X. If you know of anyone that is looking for one, have them give me a call @ 404-213-1639. We will miss traveling with the best Discovery chapter in DOAI. If you are in the Atlanta area, please give us a call.

(Charlie & Elaine Harvell)

My travel days are over but I truly enjoy all those who keep in touch and try to always respond. My health is not the greatest right now but I'm OK. Love to all!

(Eileen Haden)

GOOD NEWS: Kit and Mary are happy to inform everyone that they have a hard date for their new coach. Thank to Bob Green, they will receive their coach on Thursday of this week (27 June). See [page 6 & 7](#). They are excited and hopeful. The interior has been changed to accommodate issues.

(Kit Clark)

Frank Cason received a good check up on 25 June after having his first total knee replacement. The knee is still swollen, but his surgeon said that was normal and it could be swollen for several months. Those of you that had this surgery already know this. Frank's right knee replacement is tentatively scheduled for September 11. With this being the next surgery, he and Linda will not be able to attend the National Rally or the rally in St. Louis. We will miss both of them, but will see them when he is up and around again.

(Frank Cason)

Haven't heard from the Spearman's about Ann's current status but hope that this finds her well. Please read Ron's article on the next page.

Prayers go to all our friends, family and neighbors who are in poor health.

Health Notes

To Our BRD Family and Friends:

As many of you may recall, Anne was hospitalized in early April. We had just completed a five month, 5,000 mile trip all around Texas, down to Florida and the last week of our trip was at a RV Rally in Nashville. She began to really feel bad in Nashville, electing not to take part in most of the activities. She decided not to go to a local clinic or emergency room but to wait until we returned to Rabun County, GA which was home and the final destination on our trip. We took her to the emergency room at our local hospital and they immediately transferred her to Northeast Georgia Medical Center in Gainesville, Georgia.

Her symptoms included shortness of breath, chest pain and an inability to take more than a few steps. She was diagnosed with a Pulmonary Embolism or blood clots in the lung. Almost every doctor that came in to see her asked if we had been on an airplane or been on a long trip that involved sitting down for long periods. Bingo! We had just finished a long trip in our motorhome. Anne eventually had 13 blood clots removed from her right lung. We were told we were lucky for her to still be alive.

I tell you all of this because we are all vulnerable for blood clots because of the long hours we spend traveling in our motorhomes. By taking a few precautionary steps you can greatly reduce the possibility of blood clots forming in your legs. The Mayo Clinic recommends the following steps in preventing clots in the deep veins in your legs (deep vein thrombosis) and will help prevent pulmonary embolism:

Compression Stockings: Compression Stockings steadily squeeze your legs, helping your veins and leg muscles move blood more efficiently. They offer a safe, simple and inexpensive way to keep blood from stagnating.

Leg Elevation: Elevating your legs when possible. All of our co-pilot chairs have a leg rest that will raise your legs. Use when traveling.

Physical Activity. Moving as often as possible. Move your ankles and knees often. Take frequent breaks at rest stops. Get out and walk around to check the motorhome

It has been a long recovery for Anne but we hope she will eventually be back to her old self and ready to travel again in the motorhome. I urge each of you to be aware of the possibility of blood clots, be able to recognize the symptoms and do all you can to help prevent you from becoming a victim of pulmonary embolism. It certainly came on as a big surprise to us.

(Ron Spearman)

NOTE: Please heed what Ron has to say. My brother has Peripheral Artery Disease which was brought on when he traveled. He wore compression stockings for years but like the rest of the family is in an information technology job that requires long periods of sitting. As a result he lost his leg. We only wish we had known this years ago before he was diagnosed. They make men's stockings that look like any other man's sock so you don't have to wear what looks like women's hose any longer.
